

Voluntary Report – Voluntary - Public Distribution

Date: October 15,2019

Report Number: EG2019-0019

Report Name: EGYPT - Updated Plant Quarantine Import Requirements for Wheat, Yellow Corn, and Soybeans

Country: Egypt

Post: Cairo

Report Category: Agricultural Situation, Agriculture in the Economy, National Plan, Policy and Program Announcements, Agriculture in the News, Grain and Feed, Oilseeds and Products, FAIRS Subject Report, Trade Policy Monitoring.

Prepared By:

Approved By: Ali Abdi, Minister-Counselor for Agricultural Affairs

Report Highlights:

On October 9, 2019, Egypt's Ministry of Agriculture and Land Reclamation's (MALR) Central Administration of Plant Quarantine (CAPQ) issued Circular No. 38/2019 regarding phytosanitary import requirements for strategic commodities (i.e., wheat, yellow corn, and soybeans). This circular clarifies the requirements that must be met by the exporting country seeking to ship to Egypt wheat, yellow corn, and soybeans. Specific import requirements are now to be listed in the import permit issued by Egypt's CAPQ for all shipments. This report contains a copy of the circular with requirements in English).

GENERAL INFORMATION:

EGYPT'S UPDATED PLANT QUARANTINE IMPORT REQUIREMENTS FOR WHEAT, YELLOW CORN, SOYBEANS

On October 9, 2019, Egypt's Ministry of Agriculture and Land Reclamation's (MALR) Central Administration of Plant Quarantine (CAPQ) issued Circular No. 38/2019, regarding phytosanitary import requirements for strategic commodities (i.e., wheat, yellow corn, and soybeans). These updated import requirements are based on MALR Ministerial Decree No. 562/2019 (September 8, 2019) (see GAIN-EGYPT (EG-2019-0018) EGYPT – New Plant Quarantine Requirements, Ministerial Decree 562/2019).

Specific import requirements are now to be listed in the import permit issued by Egypt's CAPQ for all shipments. Prior to MALR Ministerial Decree No. 562/2019, import permits did not reflect accurate information about regulated quarantine pest tolerance which created confusion for exporters and importers.

This circular clarifies the requirements that must be met by the exporting country seeking to ship to Egypt wheat, yellow corn, and soybeans (see Appendix I – MALR/CAPQ Circular No. 38/2019).
