General Information

The report contains a library of Russia's regulatory framework for regional agricultural subsidies as documented by Russia's Ministry of Agriculture. The information is broken down by each of Russia's 80+ regions and details both the regulatory acts for subsidies as well as the mechanisms in place in each region.

1. Subsidies to compensate for part of the purchase cost of chemicals

Federal and regional subsidy

The mechanism of state support

To obtain subsidies from the federal and regional budgets agricultural producers shall submit documents to the Region's Department of Agriculture according to the list of documents being the basis for granting subsidies approved by Decree of the Government of the Belgorod Region No. 4-pp of January 11, 2011; and calculation of subsidies, signed by the recipient of the subsidy and certified by the municipality's governing body for agriculture; a document indicating legal business address, payment details, Taxpayer Identification Number (TIN), classification under All-Russian Classifier of Administrative-Territorial Entities (OKATO), and a contact phone number. Documents, submitted by agricultural producers for receiving subsidies, shall be considered by the Region's Department of Agriculture during one month from their registration in the register, which is numbered, bound and sealed by the Region's Department of Agriculture. Upon completion of review of the documents a note shall be entered in the register on acceptance of the documents for the subsidy or refusal to grant subsidies. The Region's Department of Agriculture shall on the basis of calculations of subsidies within 15 working days after the review of the documents establish registers by recipients of the subsidies with indication of the subsidy amount payable from the federal and regional budgets. The Region's Department of Agriculture shall submit the above registers of recipients of the subsidies and applications for payment of expenses to the Region's Department of Finance and Fiscal Policy five days after their preparation. Upon receipt of registers and applications for subsidies payable from the regional budget, the Region's Department of Finance and Fiscal Policy shall within five days from receipt of applications disburse payments from the account of the Region's Department of Agriculture within a single account of the regional budget, to the accounts of the recipients of the subsidies in credit institutions. Upon receipt of registers of recipients of the subsidies payable from the federal budget, the Region's Department of Finance and Fiscal Policy shall within five days from receipt of applications transfer federal funds to the account of the Region's Department of Agriculture in the Office of the Federal Treasury of the Belgorod Region.

Normative legal acts, regulating the procedure and conditions for granting state support

[Decree of the Government of the Belgorod Region No. 4-pp of 11.01.2011](#)

Conditions (requirements) of state support

Funds for the compensation of part of the purchase cost of chemicals shall be granted on condition that agricultural producers have areas for crops, and at rates approved by the Ministry of Agriculture of the Russian Federation per 1 hectare of the fertilized acreage.

List of required documents

Copies of contracts for the supply of mineral fertilizers, invoices, bills for entering goods in the books, payment documents, certificates of conformity, acts of mineral fertilizer application in autumn and spring, acts of application of pesticides with an indication of treated area, certified by recipients of the subsidies, information on the results of sowing for the current year crop (Form 4-sh, Form 1-Farmer).

Contact information of responsible professionals / agencies / organizations in which agricultural producers must collect specified document

These documents, which are the basis for receipt of subsidies, are with the recipients of the subsidies.

9. Subsidies for reimbursement of the cost of interest on credits (loans) received for a period of up to one year

Federal and regional subsidy

The mechanism of state support

Within ten days from registration of the accepted documents the Region's Department of Agriculture shall forward a written notice of acceptance of the documents or rejection of their acceptance indicating a reason for rejection. The documents, submitted by borrowers for receiving subsidies, shall be considered by the Region's Department of Agriculture within ten working days from the moment the notice of acceptance of the stated document for review has been forwarded. In

case of refusal to grant a subsidy to the borrower, the Region's Department of Agriculture shall make a respective entry in the register, and at the same time a respective notice shall be sent to the borrower within ten days after completion of review of the documents. The Region's Department shall on the basis of calculations of subsidies within 15 working days after their acceptance establish registers by recipients of the subsidies with indication of the subsidy amount payable from the federal and regional budgets. The Region's Department of Agriculture shall submit the above registers of recipients of the subsidies and applications for payment of expenses to the Region's Department of Finance and Fiscal Policy five days after their preparation. Upon receipt of registers and applications for subsidies payable from the regional budget, the Region's Department of Finance and Fiscal Policy shall within five days from receipt of applications disburse payments from the account of the Region's Department of Agriculture within a single account of the regional budget, to the accounts of the recipients of the subsidies in credit institutions. Upon receipt of registers of recipients of the subsidies payable from the federal budget, the Region's Department of Finance and Fiscal Policy shall within five days from receipt of applications transfer federal funds to the account of the Region's Department of Agriculture in the Office of the Federal Treasury of the Belgorod Region.

Normative legal acts, regulating the procedure and conditions for granting state support

Decree of the Government of the Belgorod Region No. 4-pp of 11.01.2011

Conditions (requirements) of state support

Funds for the reimbursement of part of the cost shall be granted subject to fulfillment of their obligations to repay principal and pay accrued interest in accordance with the credit contract (loan agreement) with the credit institution. Funds for the reimbursement of part of the cost provided to the borrowers shall not exceed the actual costs of borrowers to repay interest on credits (loans).

List of required documents

a) Application for funds for the reimbursement of part of the cost (to be registered upon receipt in the register, which should be numbered, bound and sealed by the Region's Department of Agriculture); b) Statement issued by the tax authority confirming that the borrower has no overdue taxes payable or other overdue mandatory payments as of the date of credit agreement; c) Copies of the following documents certified by the credit institution: - credit agreement (loan agreement); - statements from the borrower's loan account on receipt of a credit (loan); - payment orders (documents) to pay interest and principal; d) repayment schedule of a credit (loan) and interest thereon, signed by the credit institution; e) a document indicating Taxpayer Identification Number (TIN), classification under All-Russian Classifier of Administrative-Territorial Entities (OKATO), the number of the borrower's account with the Russian credit institution to transfer funds for the reimbursement of part of the cost to, legal business address, and a contact phone number; f) calculations of the subsidy's amount according to the forms in the appendices to the Decree of the Government of the Belgorod Region No. 4-pp of 11.01.2011, signed by the borrower and the credit institution (monthly); g) copies of documents, certified by the head of the borrower, confirming the appropriate use of credit, according to the list approved by the Decree of the Government of the Belgorod Region No. 4-pp of 11.01.2011, as the credit is used.

10.1 Subsidies to support the dairy industry, including subsidies for heifers

Regional subsidy

The mechanism of state support

To obtain subsidies agricultural producers shall by the tenth of the month, following the reporting month submit to the municipal or city district authority on agriculture a statement-calculation according to the form, as well as acts of rectal examination, confirming the 4-months pregnancy of cow-heifers. The municipal or city district authority on agriculture shall compile a consolidated statement-calculation by recipients of the subsidies and submit it by the 15th of the month following the reporting month, to the Region's Department of Agriculture attaching statement-calculations that were submitted by agricultural organizations. The Region's Department of Agriculture shall check the statement-calculations by municipalities and provide a consolidated register attaching the mentioned statement-calculations to the Region's Department of Finance and Fiscal Policy for transfer within five working days from receipt of the documents of budget funds to local authorities of municipalities and city districts, which shall transfer them to the accounts of the recipients of the subsidies.

Normative legal acts, regulating the procedure and conditions for granting state support

A Decree of the Government of the Belgorod Region is currently at the stage of number assigning

Conditions (requirements) of state support

a) The productivity of dairy cattle by the end of 2010 - not less than 3,0 thousand kilograms per cow; b) Safety of dairy cattle herd. The number of cows the recipient of the subsidy has shall not be less than what was recorded by statistical authorities as of January 1, 2010. The exception is dairy complexes and farms put into operation after that date; c) for agricultural organizations that are part of agricultural holdings - the safety or increase in the number of cows on the whole in the agricultural holding over January 1, 2010. Budget funds are paid for heifer stocks, grown in the Region, in the amount of 3,560 rubles per one head.

List of required documents

a) statement-calculation according to the form in Annex No. 1 to the Decree, as well as acts of rectal examination, confirming the 4-month pregnancy of cow-heifers; b) statement-calculation according to the form in Annex No. 2 to the Decree by recipients of the subsidies
